

*A SERVICE DEDICATED ONLY TO THE
WORLD TOUR OPERATORS*

Our office specialized in **Italy Incoming Services**, beyond to be able to book hotels with special rates, transfers, conferences, incentives and other eventual services, takes care also about ground services, like excursions, guides and tour service both for single clients and groups.

The last product offered by Italy Incoming Services is:

ROME CITY CARD

This Card offers many services for tourists and business travellers, which are:

“ROME OPEN BUS” (The visit of Rome’s city by bus)

Buying “ROME OPEN BUS” on board of the bus, a Rome’s guide is available for at least 2 people, who makes tourists understand the extraordinary greatness of art, which makes Rome an unique city.

“THE TOP ONE EXCURSIONS CITY CARD” (Daily excursions in/from Rome)

“THE TOP ONE ESCORTED CITY CARD” (Mini Tour in Italy with departure from Rome)

With the purchase of Our Card, the client without any booking, can present himself at the tour departure point, when he wishes.

Advantages for the traveller:

Buying a card in advance, allows you to save time and often also money at the arrival
No language problems
The tickets will be delivered on the bus, without vouchers exchange
Information before the departure

Advantages for the tour operator:

Just one order per service
Card and tickets complete the travel packages and the catalogue
Card and tickets are a service to the clients
Card and tickets are a marketing tool and a trade diversification
